To Whom It May Concern:

I am a Physician Assistant student graduating in December 2019 from CUNY York College with a Masters in Physician Assistant Studies, and scheduled to take the Physician Assistant National Certifying Exam (PANCE) at the beginning of 2020. I am interested in applying for the physician assistant opening in Emergency Department at Coney Island Hospital in Brooklyn, NY. As a native Russian speaker, I feel that I would be an asset to this position.

Enclosed you will find my Resume for your review. I have always been interested in emergency medicine and have been an active EMT-B member prior to my PA education. I enjoy the fast-paced nature of working in emergency medicine and providing quality, patient-centered care to all patients. I am looking for a full-time ED position with a long-term commitment to grow and expand professionally.

I would be happy to provide any additional information you may request at your convenience. I look forward to hearing from you to discuss this opportunity further. Thank you in advance for your time and consideration. You may contact me by phone at (212) 363-0499 or email at alena47rakhman@gmail.com.

Sincerely,

Alena Rakhman, PA-Student
